Data Processing Addendum

This Addendum forms part of the Master Services Agreement and applies where the Provider processes personal data on the Customer's behalf.

1. Roles. The Customer is the controller of the personal data and the Provider is its processor.

2. Instructions. The Provider processes personal data only on the Customer's documented instructions, including those in the Agreement.

3. Security. The Provider maintains technical and organisational measures appropriate to the risk of the processing.

4. Subprocessors. The Provider may engage subprocessors and remains responsible for their performance.

The parties have signed this Addendum as of the Effective Date.
